Sur-Vet® Hypodermic Needles & Syringes

- Ultra Sharp Needles
- Clear Barrels
- Bold, Precise Scale Markings
- Smooth Plunger Action
- Tamper Evident Peel Packs

When comfort, performance and cost effectiveness are important, choose Terumo. Our thin wall needles are precisely honed and beveled and are designed to support penetration and patient comfort. Clear syringe barrels with bold scale markings permit quick visual inspection for precise dosage. An integrated plunger stop helps prevent the plunger from being accidentally pulled out, while our tamper evident blister packs result in minimal waste disposal.
